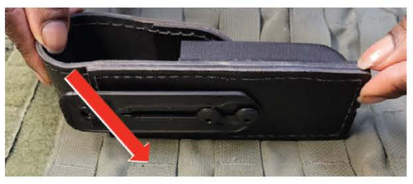
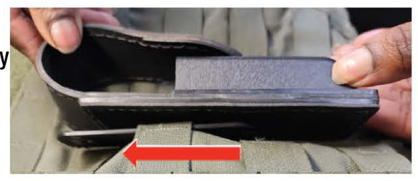
STEP 1
Push MOLLE slide upward to the uppermost position.

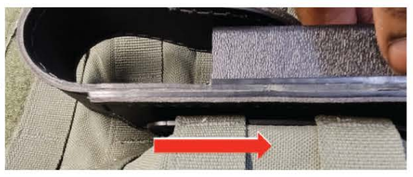
STEP 2
Position Pouch near the upper loop you want to fasten to.



STEP 3
Pull MSA through from bottom to top, may also help to push upwards from bottom up. For accessories with dual MSA tabs, pull both tabs simultaneously.



STEP 4
Push MSA through from top to bottom capturing lower MOLLE loop. Needle nose pliers or similar, may help to get MSA tab underneath the lower MOLLE loop.



STEP 5
Push downwards until “click” is felt. Pouch is now fully secured.
