FAQs

Travel and Flight Details

Q1 Do I need a visa or passport?

A1 It is your responsibility and our strong recommendation that you check with your local embassy or your trip destination embassy to determine if a visa or passport is needed and whether there is a cost associated. If you need to request a visa letter, please email us at events@lifewave.com.

Q2 What happens if I do not get the proper travel documents (such as a visa) or do not have the appropriate passport documentation at boarding and am denied boarding to my flight?

A2 The proper travel documents are your responsibility. Should you not procure the appropriate travel documents and be denied boarding, thus being unable to attend the trip, you forfeit the value of the trip as well as your airfare voucher. Any cancellation fees will apply to you.

Q3 If the reward trip gets cancelled due to external, uncontrollable circumstances, will LifeWave compensate members for the value of the trip?

A3 If the reward trip is cancelled due to external circumstances beyond LifeWave's control, LifeWave will reimburse qualifying participants for the actual cost of booked flights, as shown on their receipt, up to a maximum of $2500 USD per person.

Q4 How and when will I receive my reimbursement for my flights?

A4 Once you've booked your flights, you should send the receipt to events@lifewave.com. Reimbursements can take up to 30 days after the close of the trip and are only issued to Brand Partners who attended the trip. This reimbursement will be received via commissions.
