Standard Features

The Cp.3 table is available with four top options: ½" (12.7mm) leaded glass with a polished flat edge or ⅞" (22.2mm) glacier white corian, oak or walnut veneer with a reverse bevel edge. The frame is stainless steel with a brushed, polished or matte black powder coat finish. Bumpers protect the glass and prevent movement.

The Cp.3 table with a corian, walnut or oak veneer top is shipped assembled. When the glass option is specified, the table and top are packed separately in the same carton.

SCS Indoor Advantage™ Gold and LEVEL® 2 certified. See terms and conditions for additional environmental information.

Veneer Selections

When specifying light finishes the natural characteristics of the wood will be visible and color will vary.
