

Compliance Guidance

Our on-staff Benefits Counsel and team of industry experts produce a variety of materials designed to simplify important topics and provide useful direction. Regulations, legislation, and news surrounding health care, medical plans, and other employment benefits have become an ongoing reality in recent years.

My Benefit Advisor can help you stay on top of what's new and what's required of you.

Bulletins

As issues arise, MBA prepares regular updates explaining regulatory news about specific topics and actions required by employers. Because things are always changing, we publish dozens of Compliance Bulletins each year.

Podcasts

Explore our podcasts containing thorough conversations covering recent trends, hot topics, and the latest reporting requirements.

White Papers

These carefully researched documents take a deeper dive into single subjects of concern for employers.

Form 5500

MBA partners with select vendors to provide clients with 100 or more employees with complimentary 5500 document preparation services.*

This includes management of the Form 5500 and Summary Annual Report (SAR) process from start to finish.

*For New York employers, a small fee applies in accordance with the New York Department of Financial Services.

For More Information
