

# INJURED EMPLOYEE HOTLINE

## REGISTERED NURSES AVAILABLE AROUND THE CLOCK

EMPLOYERS® understands the stress workplace injuries and illness can cause. Your clients want the best for their employees but may worry about claims costs and running their business short staffed. EMPLOYERS's policyholders can count on us to be there for their employees so they can focus on their business.

**Our Injured Employee Hotline is available to policyholders and their workers at (855) 365-6010.** The hotline is staffed by registered nurses who provide medical guidance based on the caller's occupational illness or injury symptoms.

The Injured Employee Hotline increases client satisfaction and leads to higher customer retention rates. For more information, please contact your Territory Manager or sign up for a short, live training session at [employers.com/ieh-training](https://employers.com/ieh-training).

### BENEFITS INCLUDE:

- **24/7 availability.**
- **Nurses fluent in both English and Spanish, with accommodations for other languages.**
- **Reductions in medical provider office and emergency room visits.**
- **Faster reporting to EMPLOYERS with less paperwork.**
- **Potential decreases in claims costs.**
