Review Triggers

The review triggers that would reasonably suggest that the TMD is no longer appropriate include:

- a significant dealing of the product to consumers outside the target market occurs;
- a significant number of complaints are received from customers in relation to their purchase or use of the product that reasonably suggests that the TMD is no longer appropriate
- a material change to the product or the terms and conditions of the product occurs which would cause the TMD to no longer be appropriate

The *Product Governance Framework* includes regular consideration of whether there has been a review trigger following each distribution information report. That consideration is by reference to paragraphs 154 to 156 of RG 274.

Review Periods

First review date: 5 Oct 2022

Periodic reviews: Annually

* ACT Land Rent Scheme is capped at 25 years
