

RAZOR

SERIES

A WALK-BEHIND THAT'S FORWARD-THINKING.

Whether it's for smaller lawns or to touch-up after your zero-turn mower, the Ariens RAZOR has the power and versatility to get the job done quickly and easily. Each model has a deep steel deck for better mulching and more durability. You can mulch, bag, or disperse your clippings because the RAZOR mows the way you want to mow.

3-IN-1 DESIGN TO MOW YOUR WAY

This versatile machine quickly converts between mulching, bagging, or rear discharge – your choice.

DUAL LEVER HEIGHT ADJUSTMENT

Quickly change between 7 positions from 1 to 4-inch heights.

REFLEX™ DRIVE SYSTEM AVAILABLE

REFLEX™ speed control technology matches the mower's speed to your pace between 1 and 4 MPH.

BRIGGS & STRATTON® ENGINE WITH READYSTART®

Mows through tall, thick grass with ease. Our powerful Briggs & Stratton® engines start every time and never require an oil change.

LARGE BAGGER WITH DUST BLOCK

2-bushel bagger saves time since it cuts down on how often you need to empty it.

DUAL BLADE DESIGN AVAILABLE

Dual cutting blades atomize grass as the primary blade's LaserEdge® Eversharp™ technology stays sharp longer and self-sharpens while cutting.

CUSTOM WHEELS

8-inch front wheels and 10-inch rear wheels ensure smooth, easy rolling operation over all types of terrain.

14 GAUGE STEEL DECK

5.5" deep deck delivers superior mulching results while its 14-gauge steel provides more durability.
