

APEX[®]

SERIES

THE PINNACLE OF PERFORMANCE.

Let's be honest, not all lawns are worthy of a machine of this caliber: tons of power that delivers a meticulous cutting performance on a mower with a distinctive design. That's the Ariens APEX. Models are powered with a Kawasaki FR V-Twin. Either one will help you quickly transform any grass into a beautifully manicured lawn. And this machine looks as great as it mows with phenomenal graphics and a new premium-stitched high back seat. With the APEX, we've bested the level of "best-in-class."

FULLY WELDED TUBULAR FRAME

Automotive-style frames is made from enclosed rectangular tubing, fully welded for superior durability.

HIGH-BACK SEAT

A comfortable seat that looks as great as it feels with a pop of color in the contoured seams. Built for long mowing days, it comes complete with arm rests for less fatigue.

POWERFUL ENGINES

Kawasaki® FR V-Twin engine choices provide all the power you need to mow quickly and efficiently.

MOLDED HANDGRIPS

Ergonomically designed down to the last dimple, these grips will make you the master of your APEX, giving you total control through every turn.

CUT QUALITY

A 5 1/2" deep, 10-gauge steel ENVY™ deck provides optimal airflow in all mowing conditions for professional cutting performance.

COMMERCIAL FEATURES

22" rear and 13" front tires provide solid traction. Metal open ended belt covers and a floor pan that lifts to access the top of the deck for cleaning.
