

The LocknCharge Deal Registration Program is available to all LocknCharge Authorized Resellers in North America. The purpose of the Program is to protect and reward Resellers for sourcing and closing new LocknCharge sales opportunities. All qualified Resellers participating in the Program must understand and adhere to the Program Guidelines. The Program terms and conditions outlined in this document are subject to modification or termination by LocknCharge at any time and without notice. By submitting a deal registration, the reseller agrees to let LocknCharge have conversations with the organization seeking to purchase LocknCharge products to further qualify and sell the opportunity.

- Enhances the profitability of the Reseller.
- Provides a selling advantage to Reseller to win the business.
- Earn a protected margin on qualified deals, for 90 days.
- Additional margin dollars are available, contact your LocknCharge Channel Manager for details.
