Wire Rack Device Compatibility Guide

How to Check Your Device's Compatibility:

- 1 Check where the power inlet is located on your device. Is it on the **side** or **rear**?

- 2 Check device dimensions:

- Use the **blue** measurements on the Cart drawings to the right if the power inlet is on the **side** of your device.
- Use the **red** measurements on the Cart drawings to the right if the power inlet is on the **rear** of your device.

- 3 If your device is smaller than the measurements shown, your device is compatible.
