Revolution 32 Device Racks

Check Your Device's Compatibility:

① Check where the power inlet is located on your device. Is it on the **side** or **rear**?

② Check device dimensions:

- Use the **blue** measurements on the Cart drawings to the right if the power inlet is on the **side** of your device.
- Use the **red** measurements on the Cart drawings to the right if the power inlet is on the **rear** of your device.

③ If your device is smaller than the measurements shown, your device is compatible.
