Program details and eligibility effective April 1, 2025. Enrollment is automatic once you hit the Elite Rep thresholds. ARR/ACV is calculated quarterly, based on the past 12 months, using LocknCharge's recorded data. ARR/ACV sales and closed deals count by opportunity invoiced date—reach out to your rep with any questions. Program perks have no cash value and apply to U.S. resellers and may vary in Canada. Canadian partners, check with your Account Executive for full details. LocknCharge reserves the right to update, change or cancel the program at any time without notice.
