

Easily Charge, Store, Secure and Manage Mobile Devices.

Carts

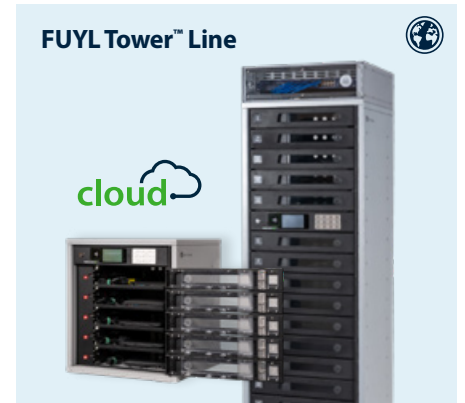

Our high-quality Carrier Carts include Large Baskets by LocknCharge for easy device distribution and portability.

Innovation meets affordability with this small-footprint cart. Enjoy LocknCharge Cart features at an entry-level price—plus, Baskets are now included.

Smart Lockers

A hardware and cloud-based software solution to efficiently charge, store, secure and manage workflows for mobile devices in individually-lockable bays.

Charging Stations

Stationary charging cabinet with a small footprint that holds 32 mobile devices.[^]

Compact station features colour-coded external LED lights to show charging status of devices. Comes pre-wired with MFi-approved lightning cables.

Includes Large Baskets by LocknCharge and a stainless steel rack to accommodate larger devices.

Includes two Small Baskets by LocknCharge for easy iPad and tablet portability and distribution. USB-C PD (Power Delivery) is a fast charging technology that delivers significantly more power than is possible via a standard connection.

A mobile charging station for up to 5 iPad and tablet devices.

 = universal charging  = iPad & tablet charging Please see www.lockncharge.com/eu/warranty for complete details.

[^] Revolution 32 orders require a minimum 90-day lead time and minimum quantity of 50 units.
