

Charge, Store, Secure and Manage Mobile Devices

Available at Apple

Lifetime Warranty. Our products are fully backed by a lifetime warranty on the main frame, electrical and all other components.

World-Class Customer Support. Our helpful and friendly Customer Support team will promptly assist with any product issues or questions that may arise.

Carts

Carrier™ 20, 30 & 40 Cart

Charge, store, secure and transport almost any device in this universal solution. This Cart comes with Large Baskets by LocknCharge for easy device portability. It is our most durable cart, ensuring Apple devices are protected when not in use.

Joey™ 30 & 40 Cart

Charge, store, secure and transport almost any device in this affordable solution. 360-degree access, Large Baskets by LocknCharge, and device racks for larger devices make this cart incredibly versatile. This cart is quick to set up and easy to use.

iJ™ 36 Cart

Charge, store, secure and transport almost any Apple device in this affordable cart. The iJ 36 features 360-degree access, easy cabling and angled outlets to accommodate MacBook Air®, MacBook® and MacBook Pro® power adapters.

Charging Stations

Revolution™ 32

This small-footprint charging cabinet holds 32 of almost any device type. Bricks and cables are hidden keeping them secure and easy to access, and the flexi power system allows you to adjust power strips to accommodate a variety of brick sizes.

Carrier™ 10 & 15

Charge, store and secure up to 10 or 15 MacBook® or iPad® devices. Carrier stations include two or three Baskets by LocknCharge for easy device portability—or swap for racks (included) to store larger devices.

iQ™ 10 USB-C PD iQ™ 10 Sync

Quickly charge, store, secure and carry 10 iPad® devices. Includes two Small Baskets and racks.

Our USB-C Power Delivery (PD) station provides fast charging capabilities.

Our USB-A syncing station includes 10 MFi-approved lightning cables.

Putnam™ 8 & 16

This charging station features color-coded external LED displays to know when your devices are plugged in and charged. The compact, stackable design allows for multiple stations within a small footprint, and it comes pre-wired with MFi-approved lightning cables.
