LocknCharge makes life easier.

Baskets by LocknCharge. These ain't your grandma's Longaberger baskets. Slotted device Baskets by LocknCharge make device deployments faster, safer and more efficient.

Organized Cables. Minimize cord chaos by keeping those gosh darn cables secure once and for all. Cables stay organized in the unique top channel, allowing you to plug in devices quickly after each use. Excess from each cord is stored in a separate compartment, keeping your station neat and tidy.

Efficient Power Delivery (PD) Charging. Quickly charge 10 devices at once at 30W of power per USB-C port. USB-C PD (Power Delivery) is a fast charging technology that delivers much higher levels of power than standard charging when connected to a supported device.

Wall or Desk Mountable. iQ 10 Charging Stations with USB-C PD are designed to adapt to your surroundings. Transform any wall or counter into a secure area for charging mobile devices while taking up only minimal space.

Smarter Workflow

Save Time, Save Cheddar.

Our goal is to save you valuable time, each and every day, thus saving you some serious cheddar. Our Baskets enable hand-out and pack-up devices in less time, allowing you to forget about charging and focus on your goals.

Faster Charging with USB-C PD.

Get devices charged and back to use faster than ever before. Together, USB-C and PD (Power Delivery) are the dream team that deliver the fastest possible charge to compatible devices.

Additional Key Benefits

Lifetime Warranty. Most of our products are now fully backed by a lifetime warranty on the main frame, electrical and all other components.*

World-Class Customer Support. Our helpful and friendly Customer Support team will promptly assist with any product issues or questions that may arise.

Compatible & Efficient.¹ Includes two small Baskets to hold devices up to 11" as well as a plastic device rack for storing larger iPads or tablets, with or without cases. With 30W of power at each USB-C port, you can simultaneously charge 10 devices as fast as possible.

Distribute devices up stairs or over rough terrain. Baskets by LocknCharge allow you to share and safely distribute devices between multiple locations within your facility. The Baskets are interchangeable with LocknCharge Carts that use the same Small Basket ecosystem.

Pre-wired Options Available. Save time setting up your station by ordering it prewired with either USB-C to USB-C cables or USB-C to Lightning Cables*.

Secure. Protect your device investment without worry. Lock away devices behind a fully-welded steel storage area. A high-quality, stainless steel padlock and keys secure devices when not in use.

Future Proof. Think inside the box, and you won't be stuck with a bunch of outdated Charging Stations. Removable racks and Baskets allow this station to adapt to future needs as devices change or new technology is added.

Tough as Nails. Stations are made with high-quality, welded steel and are backed by a lifetime warranty.

Small Footprint. Easily place the Charging Station on a counter or mount it to the wall. Either way, they take up minimal space.
