

# BOLT™ 12

## Charging Station

**NEW!**

Keep 12 PD-compatible smartphones or power banks charged, secure, and ready to use.

## Keep your devices going for longer.

### Quickly Charge Devices

Get devices charged and back to use quickly. Together, USB-C and PD (Power Delivery) are the dream team that deliver the fastest possible charge to compatible devices.<sup>1</sup>

### Fully-Assembled, No Setup

Right out of the box, this station comes pre-wired and ready to use. Unbox it, plug it in, stock with compatible smartphones or power banks<sup>1</sup>, and you're all set.

### Charging Status Lights

The external charging status indicators ensure employees and students are grabbing a fully-charged device. Plus, it's easy to see if devices have been returned and plugged in, even when the door is closed.

### Fits Your Space

The station is very compact and can be set up in a horizontal or vertical orientation, whichever best fits your environment.

It just makes life easier.

# Additional Time, Space and Money-Saving Features

-  **Built to last.** Steel construction will hold up to heavy use.
-  **Tuck-away door.** Garage-style door tucks away neatly for unimpeded access to the devices and to save space.
-  **Keep devices secure.** Protect devices from theft, loss and data breaches by locking them up while not in use.
-  **Tiny footprint.** The station takes up minimal desktop space, perfect for tight environments.
-  **Protect devices from overheating.** An internal fan keeps devices cool and ready to use.
-  **World-class Customer Support.** Our helpful and friendly Customer Support team will promptly assist with any product issues or questions.
