Dear Costco Member,

Subject: Notice of Discontinuation of Delivery of Tobacco Products

Effective February 19, 2024, Costco Business Center will discontinue delivery of tobacco products.

We understand that this change impacts member's businesses and we apologize for the inconvenience. Yet, this is a necessary decision for the safety of our delivery staff.

We remain committed to our partnership with tobacco resellers. All tobacco products will remain available for walk-in purchase at most Costco Business Center locations. We have a selection of over 250 tobacco products readily available for resale purchase. You can find your nearest Costco Business Center using "Find a Warehouse" on [CostcoBusinessDelivery.com](https://www.costcobusinessdelivery.com). For more details about purchasing tobacco for resale in warehouse, visit [CostcoBusinessDelivery.com](https://www.costcobusinessdelivery.com) Customer Service on our website and select "Resale and Tobacco."

Sincerely,

A handwritten signature in black ink that reads "Robert W. Parker". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
