

Fundraising Tips

FOR MEN'S SHEDS

TURN CONTAINERS INTO CASH FOR YOUR SHED!

Since 2020, Sheds across WA have raised more than \$1M through Containers for Change. By getting involved, your Shed can raise funds while helping to reduce waste and connect with your local community.

With more ways than ever to return, every 10¢ container can make a difference.

FIND A FUNDRAISING OPTION THAT FITS YOUR SHED

Here are some of the most popular ways you can get involved:

1. Become a Donation Point

Got some space? Set up a donation point at your Shed where people can drop off their 10¢ containers. All you have to do is return them and collect the refunds.

TIPS FROM OTHER SHEDS:

- ✓ **Bulk storage solutions**
IBCs and woolpacks are great for storing and transporting large amounts.
- ✓ **Sort for success**
Provide separate bins for different container types.
- ✓ **On-demand pickups**
See if Collect is available in your area. If not, reach out to your local Refund Point Operator to explore options.
- ✓ **Make yourself known**
Use clear signage at your shed and on your secure bins in public spaces.

2. Collect Containers at Community Events

Events like footy games and concerts generate heaps of 10¢ containers. Partner with local councils and businesses to collect them for your Shed.

TIPS FROM OTHER SHEDS:

- ✓ **Build relationships**
Chat with your local Refund Point—they may offer bins or collection support.
- ✓ **Ask for help**
Email getinvolved@warrrl.com.au—we may be able to provide 240L bins for events.
- ✓ **Reduce contamination**
Use locking bin lids in public areas.

HANDY TIPS!**

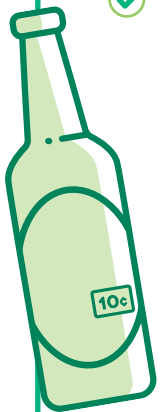

Fundraising Tips

3. Receive Donated 10¢ Refunds

Share your Shed's member number so supporters can donate their refunds directly to you at their local Refund Point. The refund goes straight to your Shed's bank account.

TIPS FROM OTHER SHEDS:

- ✓ **Get the word out**
Share your member number on social media, email signatures, and community boards.
- ✓ **Use ready-made resources**
Download posters and digital tools from Containers for Change website—found below.

4. Build Community Partnerships

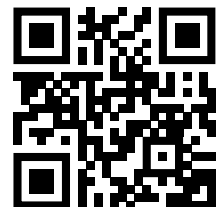

Connect with your local network. Local businesses, events and caravan parks and holiday stays often have large numbers of containers, offer to collect their 10¢ containers or receive their donated refunds.

TIPS FROM OTHER SHEDS:

- ✓ **Think big and small**
Where are the containers in your community? From cafes to sports clubs, every bit counts.
- ✓ **Ask around**
Many businesses are happy to donate their 10¢ container refund in exchange for collection from their business.
