club, charity —or
yourself!

HOW DO I RETURN?

There's a way to return for everyone!
See some popular options below:

DEPOT

Visit a refund point (often a warehouse-style facility) where your containers are counted, and your refund is issued on the spot.

DROP & GO

In a hurry? Simply bag it, tag it and drop it. Your refund will be processed later.

COLLECT

Book a pick-up with Containers for Change Collect. Available in selected areas. T&Cs apply.

SELF-SERVE KIOSK

Scan your containers one-by-one at a Self-serve Kiosk, ideally located at places like shopping centres.

Did you know you can donate your refunds directly to charities and community groups?

All you need is their member number — it's that easy!
