

HELP US RAISE FUNDS WITH CONTAINERS FOR CHANGE

Support your community while cleaning up the environment. With your help, we can save millions of containers from general waste.

Hi there,

I'm collecting 10¢ drink containers to help
to raise \$ for
through Containers for Change.

Containers for Change is a state-wide recycling scheme that enables schools, charities and community groups who participate in the scheme to fundraise for their cause. Every eligible container collected is worth 10¢ which can really add up!

I'm asking friends, neighbours, and local businesses if they could also save and donate their containers to help raise funds for this cause.

If you would be happy to donate your containers, please contact me to arrange a one-off or regular time to collect your containers. I will then deliver the 10¢ containers to an authorised Refund Point and donate them to
using their unique member number.

**THANKS VERY MUCH FOR YOUR HELP
(AND CONTAINERS)!**
