AbleNet

QuickTalker Freestyle®

LET THE CONVERSATION BEGIN

We've worked with thousands of families to help their loved ones obtain a voice!

The QuickTalker Freestyle® is a speech device built for life, lightweight, customizable, and backed by personalized support from the ableCARE team. It's easy to get started and even easier to keep going.

Over 80% of parents of QuickTalker Freestyle users report speech and language skills grow after 1 year of use!*

Start With a Benefit Check

Find out if your insurance covers the QuickTalker Freestyle. It's free and there's no obligation.

Scan to get started.

How does it work?

1. Once we have the necessary information, we work directly with your medical insurance company to determine if the QuickTalker Freestyle is a covered benefit.

2. You have the opportunity to have a hands-on experience with the QuickTalker Freestyle.

3. We work with your speech therapist and physician to collect insurance-required documentation. Please note, some insurance providers will require a doctor's visit.

4. We submit the request to your medical insurance for review. If the QuickTalker Freestyle helps reach your loved one's communication goals and insurance approves the device, you keep it!

5. ableCARE isn't just a warranty, it's confidence. You get five full years of support and coverage. SLPs and parents can fill out the warranty request form if the device breaks, gets lost, or is taken, and we will replace it —no questions asked.
