

Summer Activities

Play With Bubbles

Words to focus on: bubbles, blow, pop, big/small, more

Sentences you can make: It's my turn/your turn, More bubbles, Pop the bubbles.

Activity: Grab some bubbles and head outside! Model words on your child's device as you blow bubbles. Talk about if the bubbles are big or small, show them how to ask for more bubbles, and practice asking and answering questions.

Go to the Playground

Words to focus on: play, swing, slide, more, up/down, fun "wee" or "yay"

Sentence you can make: I want to swing/slide, I want to go fast/slow, This is fun!

Activity: Going to the playground is fun for kids! Let the child explore and play while modeling words/sentences on their AAC device. This is a great way to have them request for help/more/all done and a variety of other vocabulary words (think core words.)

Water Sensory Table

Words to focus on: water, wet, splash, "uh oh", boat,

Sentence you can make: The water is cold, I can splash, The boat is in the water.

Activity: Grab any plastic bin or tub and fill it with water. Get some toys you can put in it like a boat, ocean animals, cups, sponges, and balls for you to play with. Let the child explore the water and talk about what you are doing. Model the words on the device. Don't be afraid to let them splash a little!

Play With Chalk

Words to focus on: chalk, draw, color, red, blue, green, yellow

Sentences to create: The _____ is red, Draw a _____, I want [color].

Activity: Grab some different colored chalk to play with on the driveway or sidewalk. Be creative! Draw any picture you like! Focus on color words, request certain colors, ask for specific things to be drawn, and use action words.
