

AAC & Behavior

The QuickTalker Freestyle helps individuals communicate more. When communication grows, frustration decreases. Learn more about ableCARE and the 5-year unlimited warranty designed to support all communicators.

60%

of parents reported decreased frustration and fewer difficult moments after one year of QuickTalker Freestyle use, as communication increased.*

FREQUENTLY ASKED QUESTIONS

“What if the device breaks too many times?”

Unlimited. Means Unlimited.

ableCARE covers repairs and replacements for 5 full years. No limit on how many times, no questions asked, no justification needed.

“How quickly can a replacement get back to us?”

Back in Hand Fast.

Replacements ship same or next day. Families don't wait weeks. Progress doesn't stall.

“What if communication could feel easier and less frustrating?”

AAC Builds Communication and Reduces Frustration.

High-tech AAC gives individuals the ability to request, protest, comment, and connect, expanding the full range of communication so needs can be expressed and understood.

“What if I need help with AAC or making it work for them?”

You're not Alone in Implementation.

The SLP Empowerment Team is available on demand to help with app setup, device integration, and anything that comes up along the way.

WHAT ABLECARE INCLUDES

Everything needed to keep communicating for five full years.

Unlimited Repairs & Replacements

No limit. No matter how many times. No questions asked.

5-year Coverage

Long-term peace of mind so you can focus on your client, not the device.

Same- or Next-day Shipping

A replacement is on its way before communication skips a beat.

Accessories to Support any Setup

Cases, mounts, straps, and more so the device works the way each individual needs it to.

Try it first with ableEXPERIENCE.

Have a hands-on experience in as fast as 2 business days, at home or in the learning environment, with no commitment required. If it's the right fit, keep going. If not, send it back.
