

MEET OUR EXPERTS

Lisa Cannata

Lisa Cannata is a Solutions Architect for Blanchard®. Lisa's style of training is collaborative, engaging, and relational. She works well with entry-to-executive-level leaders having over 25 years of experience as an executive learning leader.

Lisa has been with Blanchard® since 2022. Her experience spans 10 years with Disney in operations, HR, and learning, and 17 years as a healthcare executive. Specific areas of expertise include learning and development, adaptive learning, talent management, internal communications, change management, and employee engagement. Lisa has authored professional articles, blogs, and leadership development programs.

Among Lisa's previous professional roles are Chief Learning Officer at Orlando Health where she was responsible for all learning, talent management, internal communications, and employee engagement for over 100 team members and 16K employees. She was the Head of Learning for Kroger Specialty Pharmacy and was responsible for the learning strategy and leadership development; she developed the first learning team for the division of 13 specialty pharmacies. Lisa was the Chief Learning Officer for Area9—an EdTech company specializing in adaptive learning solutions—where she was responsible for learning strategy and thought leadership for clients and sales teams.

Lisa holds a Bachelor's degree in Science and Communications from Florida State University and a Master's degree in Arts and Organizational Management. She is a Prosci Certified Change Management Professional (CCMP), Professional in Human Resources (PHR), Hogan Assessment Systems Hogan Certified, Development Dimensions International (DDI) Certified Master Trainer, and Myers-Briggs Type Indicator (MBTI) Qualified.

In her spare time, Lisa enjoys paddle boarding, boating, scuba diving, and teaching yoga.

“Exceptional management of learning at scale. Change management and talent for understanding people allows her to grasp the bigger picture and mobilize others.”

—President, EdTech Industry

“Leadership is in Lisa's DNA—transforming cultures into learning organizations, she brings an expansive vision and inspirational leadership style approach to high-quality, high-output teams.”

—Senior Training Specialist,
Healthcare

“Lisa has always been able to get the most out of her teams by encouraging and pushing them to strive for greatness.”

—Executive VP, Healthcare
