

Blanchard Authorized Partner Program™ Guide

Partnering to bring inspired leadership to everyone

Grow your business with Blanchard®

At Blanchard®, we believe leadership development should be available to everyone. We partner with industry leaders in consulting, education, and technology to realize this goal.

Through delivering our proven leadership development programs and licensing our content, partners expand their solutions and gain the validation of providing our research-backed programs to their customers.

Our partners gain access to our entire ready-to-scale library of programs, assessments, content, research-backed models, and facilitation kits. We also provide ongoing development opportunities, a dynamic peer community, sales enablement and marketing materials, competitive discounts and wholesale pricing, and more to support their success. The benefits of partnering with Blanchard include:

- Powerfully simple frameworks that work
- Learning programs that inspire application
- Engaging digital content that's both timeless and timely
- Leadership and industry experts who know adult learning

Partnering Where You Need It Most

Our flexible partnership program allows us to collaborate with your organization in the way that best supports your goals.

Facilitation Support

Our virtual and classroom-based programs include robust facilitation guides with scripts

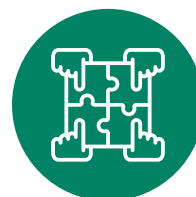

Coaching and Consulting

Use our models and content to support your coaching clients and team engagements

Digital Content Licensing

Embed our eLearning and digital assets into your existing technology platform

Sales and Marketing Resources

Access premier sales and marketing support, content, and training to help grow your business

Blanchard Authorized Partner Program™ Overview

How Does The Program Work?

Individuals or organizations become Blanchard Authorized Partners and agree to usage requirements associated with reselling and delivering our program and content.

Requirements

To offer Blanchard's world-class content and programs to your clients, you would work with us to become a Blanchard Authorized Partner. Here's how:

- 1 Speak to one of our Directors of Partner Success to learn about the value and benefit of becoming a partner.
- 2 Sign an agreement that outlines the legal details, such as registering your customers, knowing who you can sell to, customizing and tailoring our programs, and aligning to expectations.
- 3 Purchase a joining package, which includes the content you need to get started and access to our materials.
- 4 Meet delivery qualification obligations for those Blanchard programs that require it, such as SLII®.
- 5 Pay an annual fee to maintain your status (although the fee is waived if you reach a certain tier).

Benefits of Being a Blanchard Authorized Partner

- ✓ A dedicated Partner Success Team to help you onboard and determine which solutions will help you succeed fastest
- ✓ Connections with our sales teams to promote and support your growing business
- ✓ Dedicated partner portal for access to important resources and marketing tools designed to enhance your customer experience
- ✓ 24/7 facilitation resources to sharpen delivery skills whenever you need them
- ✓ An exclusive partner community where partners enjoy interactions with experts and their latest thought research
- ✓ Partner discounts on public programs, annual conferences, exclusive events, and more

The Blanchard Advantage

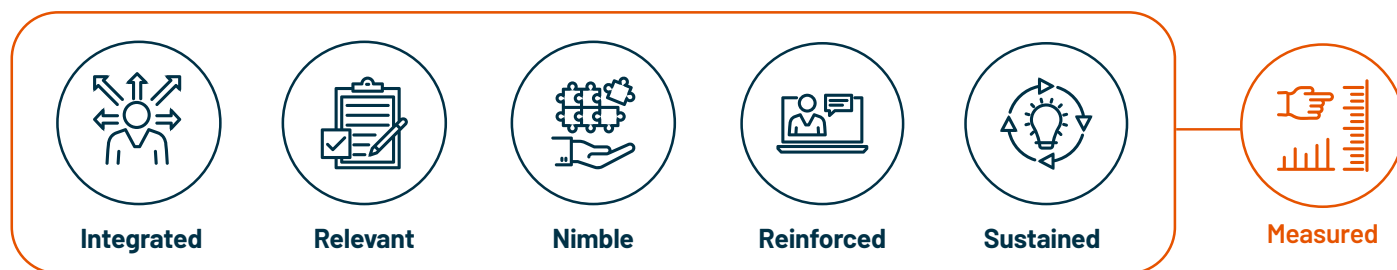

Blanchard starts at the heart of leadership, crafting dynamic, human-powered learning experiences that enable leaders at every level to engage as the ultimate agents of progress and transformation:

- Relevant, resonant, research-backed content
- Simple and powerful content
- Learning experiences that create engagement, connections, and outcomes
- Accessible and inclusive learning materials
- More than 40 years of worldwide leadership development experience
- Measurement strategies that show lasting results

Dynamic Solutions for Leadership Development Challenges

We base our solutions on rigorous academic research, which is continuously applied, refined, and simplified to create models and experiences that are easy to learn, remember, and put into practice. This foundation gives leaders the tools to build a culture that transcends challenges, maximizing individual achievement and organizational performance.

Dynamic and cohesive experiences that resonate with today's learners and leaders and equip them for what's next.

Leadership Development

Bringing Impactful Leadership Development to Leaders at All Levels

We have the leadership development offerings that leaders at all levels need, in the modalities that work best for your clients' organizations and their goals.

- Leadership development programs for all levels of employees
- Coach tool kits
- Learning journeys
- Digital content
- Measurement templates
- Assessments

SLII® Powering Inspired Leaders™

Our partners have full access to SLII®, the most widely used leadership training program in the world. It teaches leaders how to build meaningful connections with coworkers to create exponential impact. When this happens, employees are more productive and engaged. And their organizations excel.

Introducing the SLII® One-day Learning Experience

SLII® One-day learning design teaches participants the SLII® Model quickly, gaining an in-depth understanding of how to set goals, diagnose development levels, and match their leadership style (the direction and support they give) to what their team members need.

- Includes an energizing combination of in-class activities, group discussions, new videos, peer coaching, and practice opportunities
- Features a three-step action plan and interactive AI-powered SLII Chatbot that helps leaders immediately apply what they have learned
- Includes printable materials, worksheets, videos, an assessment, SLII tools, and an updated SLII App

Delivery Options to Meet Your Clients' Needs*

SLII delivery designs include in-person, virtual, and online. Learners gain access to online learning assets through our learning portal to share valuable knowledge back on the job.

**Training for Trainers is required.*

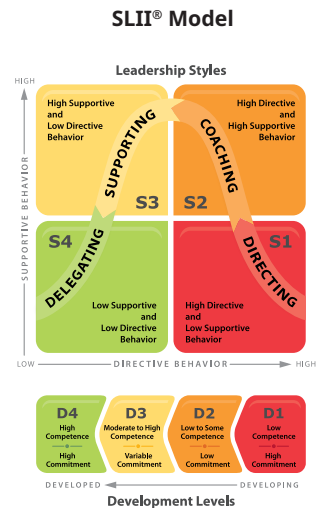

Supporting Assessments

Leader Behavior Analysis II® (LBAII®)—measures leadership style flexibility and effectiveness

Leader Action Profile II (LAPII)—measures the leader's use of directive and supportive behaviors and employee's satisfaction with their leader

"The videos, the learning design, and the skill practices create a hunger for leaders to get out there and be more effective in those development conversations! World class!"

—Deborah Reeser McKinnon

about SLII

Leadership Development Programs

SLII® ●●●

The most widely used leadership training program in the world, SLII® teaches leaders how to build meaningful connections with coworkers that create exponential impact.

Adapting to Change ●

Helps people understand why they often resist change and how to mindfully marshal their courage, curiosity, and resilience to adapt to changes they face.

Blanchard Management Essentials® ●●●

Building on the key concepts of the best-selling business book, *The New One Minute Manager®*, this course teaches managers the core skillset to achieve success quickly and build positive relationships with their teams.

Building Trust ●●●

Teaches managers how to understand the impact of their behaviors on building or eroding trust so they can increase engagement, creativity, and commitment.

Coaching Essentials® ●●●

Teaches your managers the coaching mindset, essential skills, and structured process they need to accelerate development and bring out the best in their people.

Communication Essentials ●

Teaches your employees the skills to listen to others, ask thoughtful and open questions, stay positive, and helpfully share their truth with others.

Conversational Capacity® ●●●

Teaches individuals how to engage in constructive, learning-focused dialogue when challenging topics or conflicts arise so they can make informed decisions and find the best solutions, even under high pressure.

Courageous Inclusion™ ●●●

Teaches individuals a mindset that promotes diversity and inclusion and a proven process to help them become more knowledgeable and active proponents of inclusion in their workplace.

Essential Motivators™ ●●●

Teaches managers a framework to help identify their pattern of core psychological needs, values, and talents so they can better understand themselves and others, be more effective, and appreciate different perspectives.

Fearless Innovation™ ●●

Teaches managers and individuals how to become more innovative through a four-step innovation process that allows everyone to be more innovative in their role.

Leadership Point of View™ ●●

Teaches leaders how to uncover their values, write their leadership story, and create trusting relationships with their people.

Leading Hybrid Teams ●

Gives your leaders the help they need to succeed when managing people working concurrently in remote, virtual, and in-person settings.

Leading People Through Change® ●●●

Teaches leaders how to approach change as an opportunity for high-involvement, collaborative leadership that includes all parties and improves the success of change initiatives.

Leading Virtually™ ●●

Teaches managers how to increase the effectiveness and productivity of their remote or hybrid teams.

Legendary Service® ●●

Teaches your managers and front-line service providers how to consistently deliver exceptional service for internal and external customers alike.

Self Leadership ●●●

Teaches individuals the mindset and skillset they need to become empowered, proactive self leaders who take control of their own success.

Servant Leadership Essentials™ ●●

Teaches leaders how to build trust, listen, and give and receive feedback in ways that bring out the best in their people.

Leadership Development Programs

Modalities Key: ● In Person ● Virtual ● Online

Strategy Essentials™ ●

Teaches your leaders how to gain a bird's-eye view of the strengths and weaknesses of a team or organization. Spot challenges and opportunities before it is too late to act. And allocate resources where they'll yield the greatest return.

Team Leadership ●●●

Teaches managers how to diagnose their team's development needs and apply the right leadership style to build and sustain high-performance teams.

Teaming and Collaboration ●

Teaches learners how to diagnose their team's stage of development and act in a way that contributes to its performance.

Blanchard's 97% client retention rate is proof:
