

Mass Notification Solutions for Education

RAVE PANIC BUTTON
FOR K-12 SCHOOLS

From medical emergencies to unthinkable situations, Rave's Panic Button application offers instant activation for any type of emergency. As part of Motorola Solutions, Rave empowers schools to swiftly trigger a 9-1-1 response or send smart notifications to relevant stakeholders, tailored to the specific event and location.

Inform

Inform the right individuals and teams instantly

Integrate

Integrate with unlimited systems and cap messages

Respond

Quickly bring first responders onto the scene

Act

Help everyone take the right series of actions

Comply

Ensure compliance with state and local regulations

"The value of Rave Panic Button is that you're not only notifying 9-1-1 about an emergency. You're also alerting your staff and key people in the building about what's going on. That's the most critical improvement that the product brings, especially as a superintendent."

Superintendent, Kings Park School District (NY)

FASTER RESPONSE TIMES

- Quickly activate any type of emergency with one push
- Easily access emergency response plan
- Immediately launch custom workflows and notifications

IMPROVE SITUATIONAL AWARENESS

- Get a mobile view of the situation and location details
- Provide actionable info to all impacted parties (*i.e. floor plans*)
- Enable two-way communication and ensure real-time coordination

STREAMLINE COMMUNICATIONS

- Staff assist - quick internal communication without initiating a call to 9-1-1
- Status checks - administrators can request information from school staff and identify the greatest area of need
- Notify staff about fire drills, gas leaks, medical incidents, disruptive students, and more

EASY TO USE

- Extremely simple and user-friendly interface
- Application does not drain phone battery
- Get up and running in a few days with world-class 24/7 support available at every stage
