X-TREME BROOM

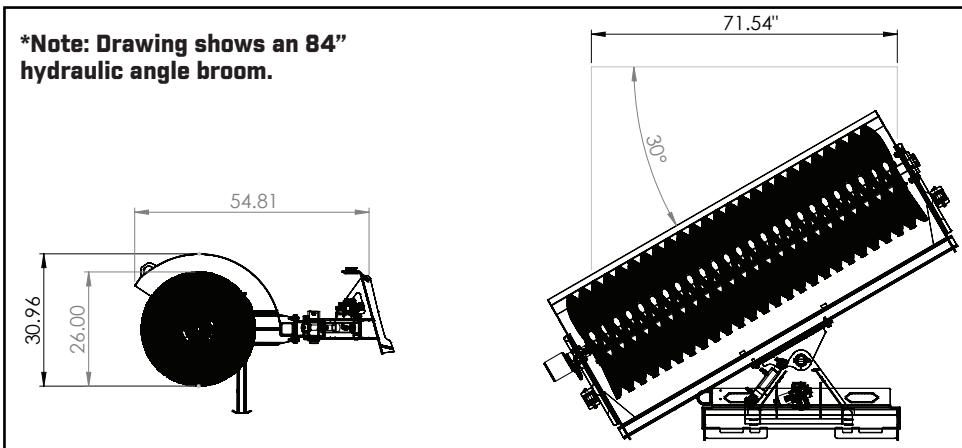

Land every bid, clean every road with our X-treme Angle Broom! Available in **both hydraulic and manual angle** versions. Now **replace your bristles** with our **new slide on** bristle feature. Trust our **redesigned hood** to keep debris away from the machine. We've even **increased standard bristle count by 50%**! Get yours today and take your sweeping to a whole **new level!**

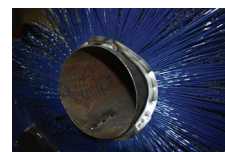

*Note: Picture shows a 10" core with a 32" bristle.
