

HEAVY DUTY WALK THROUGH PALLET FORKS & FRAME

- Walk through design makes entering machine easier
- Heat treated American made forks
- Rated to carry 4,000 lbs.
- Euro style and John Deere mounts are available
- 42", 48", 60", 72" tines available
- Optional 5,500 lbs. capacity

If you own a skid steer, you should have a set of forks on hand. Our walk through frame is exactly what it says. Instead of having to climb around or over the fork back frame, simply walk through it. This added convenience will make jobs go faster and easier whether you are lifting pallets, loading lumber or just about anything else. Our forks are 1-3/8 inches thick, 4 inches wide, completely heat treated, 48 inches long and rated to carry 4,000 lbs.
