

Your perfect partner to
TAKE ON THE WIDE-OPEN SPACES

If you are looking for a Flex-Wing Rotary Cutter for your compact tractor, the IronCraft 2512 is the choice for you. With its smooth top deck and spring suspension, this flex-wing is designed to cut grass, weeds, and light brush up to 2" in material while only requiring a minimum PTO horsepower of 35 and one hydraulic outlet. With five different color choices you are able to match your cutter to your tractor.
