Star Motor

X-treme duty

*shown with optional knee and excavator mount installed.

X-Treme Excavator Brush Cutter - 14-20 & 20-26 & 24-30 GPM

- Cut trees up to 3" in diameter.
- AR400 steel blades.
- 14-20 GPM, 20-26 GPM, or 24-30 GPM.
- Debris chains optional

• **Optional Star Motor**

With our X-treme Excavator Brush Cutter, you will clear dense brush and trees up to 3" in diameter with the long lasting AR400 steel blades. Our X-treme Excavator Cutters are designed for Excavators with an operating weight of 12,000 lbs and over. The small size easily maneuvers in tight spaces at a job site, around buildings, fence lines or on your property. We have **three** different motor and gearbox combinations to achieve the highest torque available while maintaining a proven blade tip speed ideal for your operating machine.
