## X-TREME BRUSH CUTTER

Our X-treme Brush Cutter is an ideal attachment for tough clearing applications. The cutter comes in a 60", 72", or 78" cutting width. It is equipped with bidirectional blades, powered by a high torque motor and features a 100-hp Omni gear box. A flow of 14-20 gpm is required on the low flow, 20-30 gpm on the mid flow. The one year warranty does not cover the blades or hoses.
