

IC-AUXKIT

PTO HYDRAULIC KIT

Introducing the Ironcraft Auxillary PTO Hydraulic Kit! This kit is packed with features to give you the power and control you need to tackle any job with ease.

The kit comes with a 20-gallon reservoir tank that ensures you have enough hydraulic fluid for extended periods of use. The oil sight and temperature gauge on the reservoir makes it easy to monitor the fluid levels and temperature, ensuring that the system is always running at optimal performance.

	IC-AUXKIT
FLOW (GPM)	11.4 GPM
RESERVOIR TANK	20 Gallon
WEIGHT	400 lbs (when filled)

COLOR OPTIONS

QUICK SPECS

- optimized for cutters
