

PICKUP BROOM

The Pickup Broom allows for added efficiency while cleaning. Whether sweeping dirt, light snow, or other debris; our Pickup Broom will easily tackle the job. The 8" Hub and 26" wafers sweep material into the bucket, and the manual hinging broom allows for easy transfer and disposal. Our Pickup Broom has adjustable height to allow for different scenarios and wear. Replaceable Bolt on Edge included.

- Available in poly, wire, or mix
- Replaceable Bolt on Edge
