

Take on the toughest jobs

WITHOUT BREAKING A SWEAT

The 3515 is IronCraft's Heavy-Duty 15' Flex-Wing Rotary Cutter. It has a heavy 7 Gauge press formed blade pan that is strategically designed for greater rotational balance, better cut quality, and greater gearbox longevity and a reinforced deck. The 3515 can cut material up to 3-1/2" with a minimum PTO horsepower requirement of 60 and is available in five different color choices.
