

SeekOut Recruit

Quickly and intelligently discover the most qualified candidates with SeekOut's AI-powered talent acquisition tools.

Meet the sourcing solution recruiters trust. SeekOut Recruit makes it easy to create, diversify, and accelerate your talent pipelines. With advanced AI and millions of enriched candidate profiles, SeekOut helps you uncover the best-fit prospects across the most vital hiring channels.

Untapped talent for digital transformation

Gain access to 100s of millions of candidates from untapped technical and specialty talent pools including public profiles, GitHub, research papers and patents, employee referrals, company alumni, government clearances, healthcare licenses, candidates in your ATS, and more.

Best-in-industry talent search engine

Quickly and accurately search top talent using advanced techniques including direct search, custom Boolean, skills based Smart Matching, and over 300 Power Filters.

Diversity sourcing and unconscious bias

Easily create diverse slates with highly qualified female, Hispanic/Latinx, Black/African American, Asian, Native Hawaiian, LGBTQ+, and veteran candidates. Build an actionable recruiting strategy to meet your company's diversity and inclusion goals.

Talent analytics for data-savvy recruiters

Deeply analyze talent pools and serve as a strategic advisor to the hiring managers and management within your business.

Reliable contact info and messaging: engage and hire

Successfully engage with qualified candidates and receive faster responses with verified contact information, personalized content, and automated drip campaigns.

Turn past candidates into new hires

Refresh and rediscover the candidates you've already seen in your ATS and search up-to-date profiles using SeekOut Recruit. Hire faster and more effectively by leveraging your team's network and connections.

Increase recruiter efficiency

Review resumes faster and spend more time on candidate engagement. SeekOut validates applicants for open roles based on their skills and experiences. Save hundreds of hours, increase fairness, and reduce bias in the hiring process.

TRUSTED BY

SeekOut is trusted by companies based all over the world.
