## How to view crop zone Seeding information

1. Select your year and crop zone at the top of the page
2. Navigate to the Seeding Tab to see the seeding history of the crop zone

## How to view crop zone Fertility information

1. Select your year and crop zone at the top of the page
2. Navigate to the Fertility Tab to see the history of fertilizer use in the crop zone

## How to view crop zone Crop Protection information

1. Select your year and crop zone at the top of the page
2. Navigate to the Crop Protection Tab to see the history of crop protection chemical use in the crop zone

The screenshot shows the PTx interface for the year 2025 and crop zone Highway. The left sidebar contains navigation options: Back, Crop Zone Activities (selected), Weather, Work Orders, and Equipment Activity. The main content area displays the crop zone name 'Highway' (Close Ranch: South) with 50.49 acres and the crop 'Wheat'. System ID 222509 is shown with Perennial and Irrigated status both set to 'No'. Below this, a horizontal menu includes tabs for Activities, Profitability, Seeding, Fertility, Crop Protection (highlighted), Harvest, Irrigation, and Other. An '+ ADD TASK' button is visible in the top right corner.

## How to view crop zone Harvest information

1. Select your year and crop zone at the top of the page
2. Navigate to the Harvest to see the harvest history of the crop zone

The screenshot shows the PTx interface for the year 2025 and crop zone Highway, with the 'Harvest' tab selected. The left sidebar and top navigation are identical to the previous screenshot. The main content area displays the crop zone name 'Highway' (Close Ranch: South) with 50.49 acres and the crop 'Wheat'. System ID 222509 is shown with Perennial and Irrigated status both set to 'No'. Below this, a horizontal menu includes tabs for Activities, Profitability, Seeding, Fertility, Crop Protection, Harvest (highlighted), Irrigation, and Other. An '+ ADD TASK' button is visible in the top right corner. A table below the tabs shows harvest history:

<input type="checkbox"/> Date	Area	Average Yield	Quantity	Price/Unit	Total Sale	
<input type="checkbox"/> 06/18/2025	50.49 ac	0.00 bu/ac	0.00 bu	\$0.00 /bu	\$0.00	⋮
<b>Total</b>			<b>0.00 bu</b>			

## How to view crop zone Irrigation information

1. Select your year and crop zone at the top of the page
2. Navigate to the Irrigation tab to see the irrigation history of the crop zone

The screenshot displays the PTx web application interface. At the top, there is a navigation bar with the PTx logo on the left, the year '2025' and crop zone 'Highway' in the center, and notification, help, and user icons on the right. A left sidebar contains menu items: 'Back', 'Crop Zone Activities' (highlighted), 'Weather', 'Work Orders', and 'Equipment Activity'. The main content area shows details for the 'Highway' crop zone, including a red location pin icon, the name 'Highway', the location 'Close Ranch, South', and 'Acres: 50.49'. The crop is identified as 'Wheat'. System information includes 'System ID: 222509', 'Perennial: No', and 'Irrigated: No'. A '+ADD TASK' button is located in the top right of the main area. Below this, a horizontal tab bar contains 'Activities', 'Profitability', 'Seeding', 'Fertility', 'Crop Protection', 'Harvest', 'Irrigation' (which is selected and highlighted in green), and 'Other'. At the bottom right of the main area, there are '+ADD EVENT' and 'SHOW CHART' buttons.
