

## AGCO ID

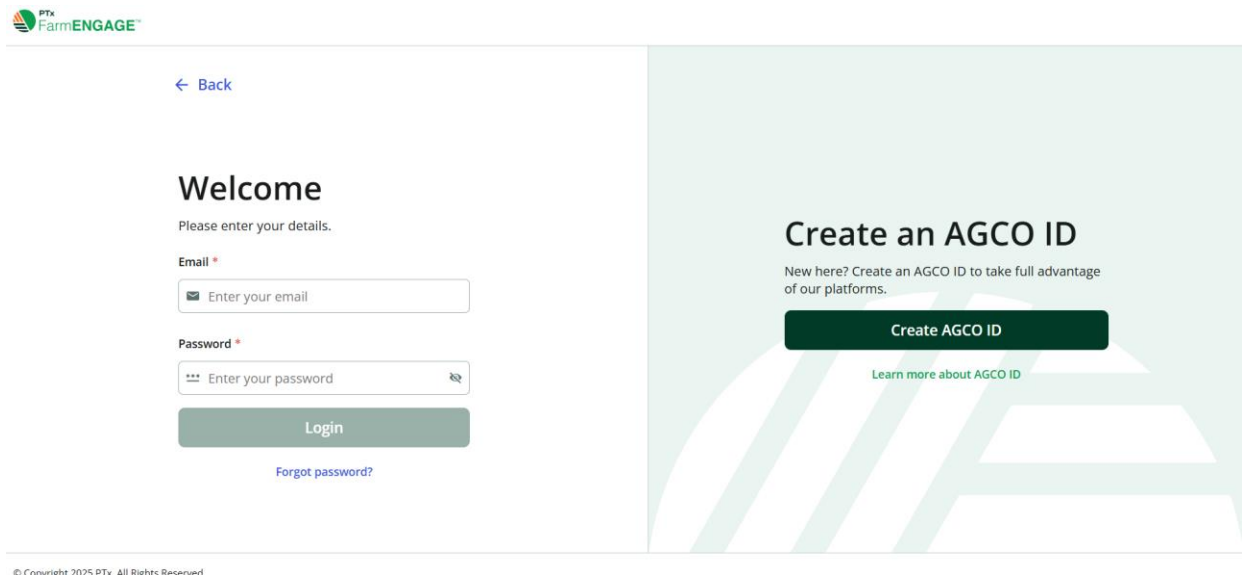

Customers and dealers use a single AGCO ID (email and password) to access FarmENGAGE, FendtONE offboard (where available), and NEXT Farming Live (where available). New users can quickly create an AGCO ID directly from their platform through a guided, step-by-step setup process, making it easy to register, merge accounts, and get started. Users who already have existing accounts on these platforms can conveniently link their accounts together in one place.

## Create an AGCO ID from the PTx Landing Page

1. Visit our secure website: <https://datamanagement.ptxag.com/>
2. Click the Login or Signup button in the header

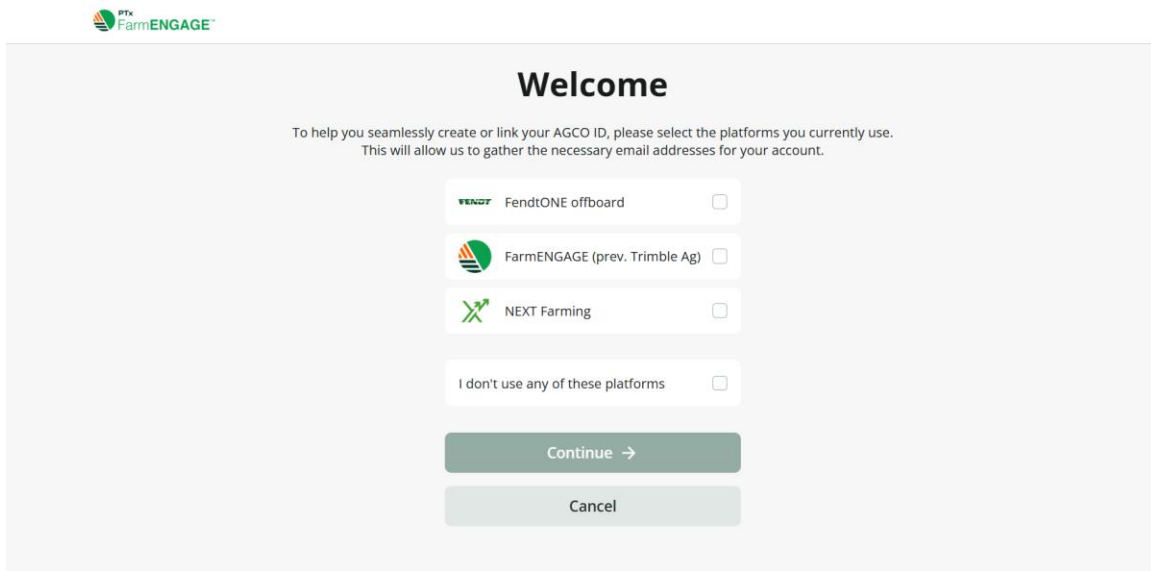

3. Click the Create AGCO ID button
