

Welcome to **myFCI**

How to sign up for **myOnlineBanking**

More than online banking, **myFCI** provides an all-in-one portal for members to interact with Farm Credit Illinois. Log in today to access features like **myMessages**, **myDocuments**, and **myOnlineBanking**.

Create a **myFCI** Account

STEP 1

Navigate to www.farmcreditIL.com and click on the **myFCI** login.

STEP 2

Scroll down and click **Enroll Now** at the bottom of the page.

STEP 3

Complete the required informational form and press **Submit**.

NOTE: A minimum of one customer number is required to set up a **myFCI** account. If you have multiple customer numbers, you can enter them during this step.

We appreciate your patience while an administrator verifies your information — keeping your account secure. *This this may take up to one business day.*

STEP 4

Access Request

* Branch Office:

* Include Online Banking:

* Customer Number(s):

Comments or Questions?

* Request Field:

Get ahead and kickstart your career at FCI.

If you would like **myOnlineBanking** access, select Yes.

STEP 5

Per your request, Farm Credit Illinois recently initiated a myFCI account for you. Click [here](#) to confirm your email address and complete your account setup.

Contact your local Farm Credit office with questions.

If you have also signed up for Online Banking you will be notified shortly.

Once your information has been validated, you will receive an email from Farm Credit Illinois. Click on the link within the email to complete your account setup.

STEP 6

First Time Login

You are completing your account creation for Farm Credit Illinois. Please choose an Online ID, Password and Security Question, and sign the Site Usage Agreement. You will NOT be able to change your Online ID after activation.

Your Password must be at least 20 characters and composed of a capital letter, a lower case letter, a special character, and at least one number.

The security answer must be:

- Different than your password
- At least 8 characters in length
- Different than your OnlineID

The security answer may NOT contain:

- Any part of the question

* Username:

* Password:

* Confirm Password:

Security Question:

* Answer:

Enter in your preferred username.

Create your password and security question and answer.
