FARM CREDIT ILLINOIS
CROP INSURANCE

Insure with Confidence

Learning Program

Tuesday, December 15
9:00 AM – 1:00 PM
includes lunch

Farm Credit Illinois
410 Potomac Blvd.
Mt. Vernon, IL

Do the complexities of crop insurance prove challenging when it's time to make coverage decisions? This workshop explores the fundamentals of the federal crop insurance program and equips you to confidently select coverage to enhance your operation's risk management plan.

The program will:

- Discuss the national Farm Safety Net
- Break down an effective Revenue Protection policy
- Review how various coverage scenarios impact your bottom line

Entry level program designed for beginning farmers or those newer to purchasing crop insurance

PRESENTERS

Andy Canning
Vice President,
Crop Insurance
