This interactive workshop led by FCI experts breaks down the balance sheet in detail and works through completion of an example balance sheet.

- ◆ Understand how your balance sheet is utilized with the 5 C's of credit
- ◆ Discuss business planning and managing the financial health of your farm
- ◆ Learn how to leverage your crop insurance coverage to make grain sales and protect revenue

The session will be led by FCI staff passionate about growing your confidence in understanding the financials of your operation.
