

Logging into myFCI and myOnlineBanking is simple and easy! To review the first-time Login process, reference the **Enrolling in myFCI and myOnlineBanking** guide on our website.

myFCI is a secure all-in-one portal for members to interact with Farm Credit Illinois.

1. Navigate to **farmcreditIL.com/login**.

2. Enter **Username** and **Password**.

**NOTE:** To reset a forgotten password, use the "Forgot Your Password" feature.

* Username:	<input type="text"/>
* Password:	<input type="password"/>
* Required Field	

[Forgot your OnlineID?](#)  
[Forgot your password?](#)

3. Select **Log In**.

4. A **multi-factor authentication code** will be sent to the device that was registered during the user's initial login.

#### Secondary Security Authentication

5. **Enter** the security code once received and click **Submit Code**.

<b>Verify Security Code</b>	
We have sent a text message to (xxx) xxx-xxxx with a one time verification code to enter here.	
<input type="text"/>	
<input type="button" value="Submit Code"/>	<input type="button" value="Resend Text"/>
<small>Call Phone with Code Instead</small>	

6. Once logged in to myFCI, click the myOnlineBanking tile to access online banking.

**Download the Farm Credit Illinois Mobile App AFTER setting up login credentials on a desktop.**

Login to the FCI Mobile App by entering myFCI credentials and begin accessing account information on the go!
