

Transamerica FE Express SolutionSM

PIN-to-Sign

If the client chooses text message, they will receive a series of text messages from a **469 area code**. To review the forms before providing the PIN, the client will click the link provided in the text and follow the prompts.

Share application documents for signature

ERIC just completed their health and lifestyle Transamerica FE Express SolutionSM application questions. Now they'll need to review a few authorizations and consent forms.

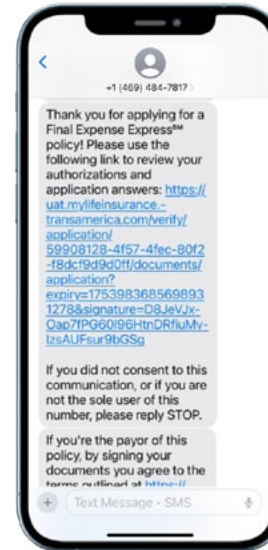

Next steps

1. Choose PIN delivery method

We'll send them a link with a unique PIN (Personal Identification Number) so they can review their application and provide their signature.

Email Text message
