MAKE IT YOUR RESOLUTION TO SAVE MORE FOR YOUR FUTURE

The new year brings a fresh opportunity to save more for the retirement you deserve. With IRS limits increasing again in 2023, now is a great time to join your peers and raise your contribution rate so you can enjoy a brighter future.

New year, new start

Review your retirement account, ensure you're taking full advantage of your company match if one is offered, and save more today. Even a 1% to 2% boost can make a big difference down the road.

(Takes only a minute)

81% of Gen X workers are saving through employer-sponsored 401(k)s or similar plans and/or outside the workplace and contribute **10%** (median) of their annual pay.*

WHAT ABOUT YOU?

GET SUNNY

Know the IRS limits

You can contribute up to **\$22,500** to your retirement account in 2023. That's a \$2,000 increase from last year. Don't miss the chance to start saving more in the new year. [2023 IRS LIMITS](#)
