

GIVE YOUR CLIENTS THE BEST

A PRE-BUILT SOCIAL MEDIA CAMPAIGN

After a recent run of glowing reviews for Transamerica Life Insurance, we've prepared a social media "campaign in-a-box" so you can share the buzz with your clients. You'll find what you need in this flyer. To maximize engagement, there are several best practices to be aware of:

- Post 2-3 times per week (any more and you risk overwhelming clients)
- While all these posts are Transamerica-approved, it's highly recommended you run the content by your compliance department before posting
- Consider "boosting" these posts to increase their reach and engagement potential (See [course 301](#) on our Social Media University)
- If you need more assistance with your posts, see course 101 on our Social Media University at <https://www.transamerica.com/lp/social-media-university/#/>
