

HEALTH ACCOUNTS

ON THE GO

THE TRANSAMERICA HSA MOBILE APP

The Transamerica Health Savings Account (HSA) and spending account mobile app let you easily and securely access your health savings and spending accounts from anywhere. Check your balances, submit receipts, view investment details, and more – all on your schedule.

KEY FEATURES

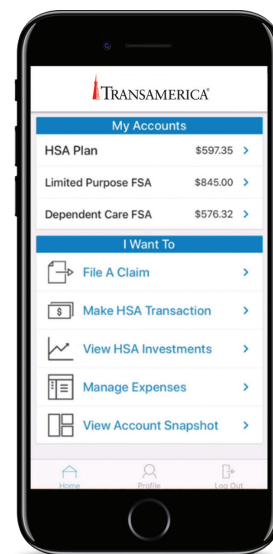

- Real-time account information on all accounts, including HSA, flexible spending account (FSA), health reimbursement arrangement (HRA) etc.
- Biometric login including registered fingerprint or facial recognition
- In-app messages and text alerts
- Retrieve username or reset password

TAKE ACTION

- Photograph receipts and submit claims for all accounts
- Make contributions or request a distribution
- Scan barcodes to confirm if a product is a qualified medical expense
- Access account funds to reimburse yourself or pay for medical care
- Report your debit card as lost or stolen
- Manage information on new payees

Example only; does not reflect the experience of any particular user.

MANAGE HSA INVESTMENTS

Offering a triple tax advantage, health savings accounts can be a powerful way to save and invest for medical costs now and in retirement. The mobile app lets you keep track of your HSA investment performance, and analyze your asset mix and allocations to help you make informed decisions about the future.

- The Transamerica HSA mobile app is available from the App Store or Google Play
- Manage your health benefits with the touch of a finger
