BUILDING A BETTER WORLD

We're more than a business — we're neighbors and community members, too. That's why we step up however we can to support the issues that matter to us. It's also why we founded the Aegon Transamerica Foundation, a nonprofit that focuses our corporate philanthropy on the areas most important to our employees.

In 2021, the Aegon Transamerica Foundation donated more than \$10.3 million² to organizations dedicated to improving the well-being of the communities where our employees and customers live and work.
