## BUILDING A BETTER WORLD

We're more than a business — we're neighbors and community members, too. That's why we step up, however we can, to support the issues that matter to us. It's also why we founded the Aegon Transamerica Foundation, a nonprofit that focuses our corporate philanthropy on the areas most important to our employees.

In 2023, the Aegon Transamerica Foundation donated more than \$7.5 million<sup>2</sup> to organizations dedicated to improving the well-being of the communities where our employees and customers live and work.
