

# BECAUSE THE FOCUS SHOULD BE ON THE FIGHT

***CancerSelect® Plus*, underwritten by Transamerica Life Insurance Company or Transamerica Financial Life Insurance Company, picks up where health insurance leaves off.**

You can help your employees avoid running up credit card debt or taking hardship withdrawals from retirement accounts by offering voluntary *CancerSelect® Plus* insurance.

## **BENEFITS THAT COULD MAKE A DIFFERENCE**

This employee benefit is a supplemental policy that provides benefits paid directly to your employees to help defray out-of-pocket expenses from cancer treatment. That way, they can put all of their energy toward the fight.

In addition, an optional cancer screening wellness rider pays a benefit amount per calendar year for specific screening tests to encourage employees to get checked regularly to catch cancer in the early stages.

Fighting cancer is challenging enough. The more financial resources your employees have in advance, the better prepared they'll be.
