

Brandon Vincent-Comolli

Sr. Director, Strategic Initiatives

Brandon Vincent-Comolli serves as Senior Director of Strategic Initiatives at DAT Freight & Analytics, where he leads cross-functional teams focused on driving strategic growth and scaling operational excellence. With more than eight years of experience in corporate development, strategy, and operations, Brandon brings a structured yet collaborative approach to complex business challenges.

Prior to DAT, Brandon led Operations at Trucker Tools, where he built and executed the company's post-sale strategy and operating model. His work has consistently bridged long-term strategy with day-to-day execution to accelerate growth and improve customer outcomes.

Brandon holds an MBA from the Stanford Graduate School of Business and a bachelor's degree in Economics from Stanford University.

Our leaders represent our core values and are on a mission to improve lives through supply chain innovation. [Learn more at DAT.com](https://www.dat.com).
