

Marcus Womack

CEO, Outgo, a DAT Product

Marcus Womack is the CEO of Outgo, a DAT Freight & Analytics product that provides an all-in-one invoicing, factoring, and banking solution for motor carriers and fleets. With over 20 years of experience, Marcus has built technology products for both consumer and business customers across multiple industries.

Before founding Outgo, Marcus held a technology leadership role at Uber, where he focused on its global travel and airports business and premium product lines. He previously co-founded a company that was acquired by Axon, a global leader in public safety technology, where he went on to serve as Executive Vice President of Technology and as a corporate officer. Earlier in his career, Marcus held product leadership roles at iLike and Microsoft.

Our leaders represent our core values and are on a mission to improve lives through supply chain innovation. [Learn more at DAT.com](https://www.dat.com).
